COMPANY PROFILE / 2026

Event Management / Institutional Delivery / Technical Production / Rental & Support

**BUILT IN PAPUA.**  
**READY FOR COMPLEX DELIVERY.**

## WHO WE ARE

# LOCAL DEPTH. PRODUCTION DISCIPLINE.

Papua Kreatif adalah partner event management dan production berbasis di Jayapura. Kami menggabungkan pemahaman lapangan Papua, koordinasi stakeholder, dan kontrol produksi untuk kebutuhan corporate, institutional, government, brand activation, conference, workshop, dan event publik.

Posisi kami sederhana: brief harus diterjemahkan menjadi sistem kerja yang jelas, vendor yang terkoordinasi, show-day yang terkendali, dan dokumentasi yang dapat dipertanggungjawabkan.

## CORE CAPABILITIES

# ONE PARTNER. MULTIPLE PRODUCTION LAYERS.

01

**EVENT MANAGEMENT**

Brief, concept development, timeline, vendor coordination, rundown, and onsite control.

02

**CORPORATE & STAKEHOLDER**

Corporate gathering, brand activity, stakeholder engagement, launch, and executive event.

03

**GOVERNMENT & INSTITUTIONAL**

Protocol-aware delivery for public sector, institution, programme, workshop, and formal event.

04

**CONFERENCE & MICE**

Seminar, workshop, conference, meeting, participant flow, stage programme, and supporting production.

05

**TECHNICAL PRODUCTION**

Sound system, stage & rigging, lighting, LED/display, power support, technical crew, and show control.

06

**RENTAL & EVENT SUPPORT**

Production equipment and event-support services supplied per item or integrated into full delivery.

## HOW WE WORK

# CONTROL BEFORE THE FIRST GUEST ARRIVES.

## 01 BRIEF

Objective, audience, venue, protocol, timeline, budget framework.

---

## 02 PLAN

Scope, production map, vendor matrix, technical needs, contingency.

---

## 03 BUILD

Procurement, fabrication, equipment, content, rehearsal preparation.

---

## 04 DELIVER

Load-in, technical checks, show calling, stakeholder coordination.

---

## 05 CLOSE

Strike, documentation, reconciliation, reporting and handover.

---

OPERATIONAL FOOTPRINT

# PAPUA IS NOT A REMOTE MARKET TO US.

Basis operasional berada di Jayapura. Deployment ke kota lain dilakukan sesuai kebutuhan brief, jadwal, mobilisasi, dan ketersediaan production resources. Kami tidak menyamakan logistik Papua dengan kota-kota lain — perencanaan harus memasukkan jarak, freight, venue readiness, power, crew movement, dan contingency sejak awal.
